

Our Mission

To preserve and enhance the wellbeing of families/ whanau caring for kin children in need, by providing education, advice and crisis prevention support.

The principle objective of the Trust is to provide assistance to whanau/ kinship caregivers in the areas of:

- General support
- Advice
- Education
- Personal and family advocacy
- Community and agency networking
- Social work support

All services provided by the Grandparents Raising Grandchildren Trust New Zealand are carried out by volunteers and provided free of charge. Funding of events and publications such as the free handbook and monthly newsletter is solely through donations, grants and government contracts.
